FOR IMMEDIATE RELEASE

Community Foundation sets goal of recruiting 100 volunteers to VIA Chaffee

The Chaffee County Community Foundation (CCCF) is excited to raise awareness of Volunteers in Action (VIA Chaffee) by setting a goal of recruiting 100 new volunteers to VIA Chaffee throughout the month of April. CCCF will kick off the goal at the Chaffee Home and Garden Show April 2 and 3 at the Chaffee County Fairgrounds. At the event, CCCF will host several nonprofits and recruit volunteers to participate in VIA Chaffee throughout the weekend.

VIA Chaffee is a volunteer platform that matches volunteers to nonprofit needs. By signing up at [VIACHaffee.org](https://viachaffee.org), volunteers can “become a fan” of nonprofit organizations that advertise their volunteer needs, internship opportunities and/or board openings. It’s a one stop shop for volunteers to connect with community needs and give time to causes that match their interests.

Please visit CCCF and many local nonprofits at the Home and Garden Show. CCCF will make it easy to sign up for [VIACHaffee.org](https://viachaffee.org) at the event.

If you’re a nonprofit looking to create a profile on VIA Chaffee, please visit <https://chaffeecommons.org/join-us>. If you’re a volunteer looking to sign up, please visit viachaffee.org.

Please help your community foundation reach their goal, which then helps nonprofits meet their volunteer needs.

For more information on CCCF’s mission, impact and programs, visit chaffeecommunity.org.

Thank you to Altamont Landscaping for sponsoring CCCF’s booth at the Home and Garden Show.
