

# 2023 IMPACT REPORT

*Thank you for planting seeds for a strong, interconnected community!*

We are pleased to present our annual Impact Report for the year 2023. This report provides a brief, but comprehensive summary of the activities, achievements, and impact throughout the year that you made possible by investing in your community through your foundation.

Connecting **1,500** volunteers to local service through ChaffeeVolunteers.org

ChaffeeVOLUNTEERS.org is a one-stop-shop connecting people who want to help with local organizations in search of volunteers. Those seeking to volunteer can search opportunities across the community that are a good fit for their interests and skill sets.

The portal offers a robust \$5,000 annual value to local nonprofit member organizations for just \$25/month. Organizations can access a full suite of tools to recruit, track, manage and communicate with their volunteers.

Investing over **\$350,000** through local grants to meet critical community needs

CCCF embraces a trust based philanthropy model as we seek to increase the capacity of our local nonprofit sector with much needed funding.

CCCF engages community review committees to ensure funds are invested in high impact organizations meeting critical local needs.

Thanks to our partnerships with the City of Salida, Bonfire Entertainment, Town of Buena Vista, Sangre de Cristo Electric Association and local donors, we work to empower the nonprofit sector through funding.

Training **7** nonprofit leaders in the **2024 Community Leaders Fellowship**

The Community Leaders Fellowship offers intensive and personalized guidance and support to nonprofit leaders seeking to solve a specific challenge at their organization.

The year long program joins CCCF's suite of capacity building resources including workshops, the Community Summit and individualized consultation services.

80 nonprofit leaders from 40 organizations received training & support from CCCF in 2023.

Facilitating **9** field of interest funds that leverage resources for our community

CCCF offers the power of collective impact through the field of interest funds allowing donors to make gifts of any size to create change on critical focus areas.

Donors have created local resources to support local solutions through funds focused on Environmental Stewardship, Community Pet Emergencies, Housing Solutions, The Ark River Valley LGBTQ+ Community, Emergency Response, Chaffee Recreation and more!

Supporting **7** start-up organizations through **fiscal sponsorship**

Fiscal sponsorship offers innovative community based solutions the opportunity to grow roots toward success while leaning on the operational backbone of CCCF.

CCCF is honored to be able to provide an incubator space for nonprofit organizations just starting, out as well as long-term relationships with organizations that require extensive financial management.
