Partner with CCCF to invest in the entire nonprofit community. Sponsors of the 2023 Community Summit are supporting 40+ nonprofit organizations and over 70 local leaders with the tools they need to effectively serve the local community. The Community Summit offers skill building, professional development, leadership growth, and collaboration opportunities through the day-long program.

Sponsorship of the Community Summit is a great way to offer real support to organizations across the community that sets them up to be stronger and more resilient all year long.
